

## On This Day

David Pomeranz

Here we stand today  
Like we always dreamed  
Starting out our life together  
The light is in your eyes  
Love is in our hearts  
I can't believe you're really mine forever

Been rehearsing for this moment all my life  
So don't act surprised  
If the feeling starts to carry me away

On this day  
I promise forever  
On this day  
I surrender my heart  
Here I stand take my hand  
And I will honor every word that I say  
On this day

Not so long ago  
This earth was just a field of cold and lonely space  
Without you  
Now everything's alive  
Now everything's revealed  
And the story of my life  
Is all about you

So if you feel the cool winds blowing  
Through your nights  
I will shelter you  
I'm forever here to chase  
Your fears away

On this day  
I promise forever  
On this day  
I surrender my heart  
Here we stand like our plan  
Please say you'll always look at me this way  
On this day
