Walls

Dawes

Some days are diamonds Some days are rocks Some doors are open Some roads are blocked

Sundowns are golden
Then fade away
But if I never do nothing
I'll get you back some day

'Cause you got a heart so big It could crush this town And I can't hold out forever Even walls fall down

All around your island There's a barricade That keeps out the danger That holds in the pain

Sometimes you're happy Sometimes you cry Half of me is ocean Half of me is sky

But you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall down

Some things are over Some things go on Part of me you carry Part of me is gone

But you got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall down

You got a heart so big
It could crush this town
And I can't hold out forever
Even walls fall down...
