

Oh, I don't want to try it  
Cause I'm scared that I'm gonna like it  
And I can look but I'm not going to buy it  
Cause my heart, heart is on a diet

But you give off something so cool, you do, you do  
So I guess I'm bending my rules for you, for you

Let's pretend that it's a holiday  
Boy you know it's only temporary  
Just a kiss and gon' blow away  
Like a valentine in February  
Up all day and up all night  
We're not wasting our precious time  
We know it's never going past today so.  
Why not make it legendary?

No, you can't get a remix  
To testify about all of the kisses  
When it's gone you know you going to miss this  
At least you'll check, check me off your wish list

Yeah I give off something so cool, I do, I do  
And I'll give a little to you, to you, to you

Let's pretend that it's a holiday  
Boy you know it's only temporary  
Just a kiss and gon' blow away  
Like a valentine in February  
Up all day and up all night  
We're not wasting our precious time  
We know it's never going past today so.  
Why not make it legendary?

Hurry up before you're out of time (so come on boy hurry up)  
Better to it before I change my mind (before I don't give a what)
