

## Casting Couch

## Daylo Abortions

Lisa, she's an actress  
She's got the look and great big tits  
She knows one day she'll be a star  
Cause her tits are gonna take her far

Sitting on that casting couch  
Stuck his dick into your mouth  
This ain't no fucking game  
You paid the price you want the fame

Lisa finally got her part  
He said that it was just a start  
If you lose your \_\_\_\_\_  
\_\_\_\_\_camera, shake those tits.

Hike your ass up in the air  
Shake and moan as if you care  
Let that cum roll down your chin  
Now wipe it off and begin again

Sitting on that casting couch  
Stuck his dick into your mouth  
This ain't no fucking game  
You paid the price you want the fame

Now she's rich and sickly thin  
She hates \_\_\_\_she's been  
\_\_\_\_\_don't call no more  
She hates to think she's been a whore

All she's want's is to be a star  
But that casting couch won't get her far  
She spreads her legs and catches fame?  
She's so broke now who's to blame

Sitting on that casting couch  
Stuck his dick into your mouth  
This ain't no fucking game  
You paid the price you want the fame
