

# Edge of the World

Dayshell

I keep saying your better off in love with him,  
Believe me darling,  
I am the worst one.

(Whoa oh ooo)

Stop pretending like I am the one worth all this change.  
I know I'm lucky, But you need the world, Love.

(Whoa oh ooo) [x2]

When I was staring at the edge of the world I wasn't expecting  
to meet you.  
But you were staring with your star colored eyes as we dive tog  
ether.

Now how far would you go, how far?  
How far would you go, How far?

(Whoa o oh... whoa oh... oh oo whoa oh) [x2]

When I was staring at the edge of the world I wasn't expecting  
to meet you.  
But you were staring with your star colored eyes as we die toge  
ther.

How far would you go, how far?  
How far would you go, How far would you go for me?
