

Jesus Is Just Alright

DC Talk

Do do do dupe dupe
Do do do dupe
Do do do dupe dupem dupe dopem do
Check it for me one time
Ohhhh, yeah yeah

Jesus is still alright with me
Jesus is still alright, oh yeah
Jesus is still alright with me
Jesus is still alright (He's alright!)

Toby Mac, and the Mac is back - no slack
On a DC track that's jacked,
Beyond comprehension
I believe that I failed to mention
That there's a lack of recognition
When it comes to His position
Cause if Christ can't be crossed over,
Then I'll keep my beat up Nova

Jesus is still alright with me
Jesus is still alright, oh yeah
Jesus is still alright with me
Jesus is still alright

I don't care what they may say
I don't care what they may do
I don't care what they may say
Jesus is still alright
Alright with me, yeah

Back in place, and I'm all up in your face
With a rhyme that I embrace,
Like a mother to her child
I'm kickin' it Jesus style
To the ones that think they heard
I did use the "J" word
'Cause I ain't too soft to say it
Even if DJ's don't play it

Do do do do do do do do
Do do do do do do do do
Do do do do do do do do
Jesus is still alright
Oh, I'm hopin' and I'm praying

Jesus is still alright
Jesus is still alright, oh yeah
Jesus is still alright
Jesus is still alright, oh yeah

Jesus is alright, I know He's alright
Jesus is alright, you know He's alright
Jesus is alright, we know He's alright
Jesus is alright, we know He's alright

Now we come to the pay off

I'm down with the one that is known as the Son
Of the G to the O to the D never done
With the flow, in the know, on the go like a pro
Not for show cause I ain't in the biz for the dough
Or the me, or the ray, all the dough's gotta stay,
Cause I can't, no I can't, take it home anyway
Never trite when I write 'cause the Lord is my light
And His Word is my bond so ya know, (know, know, know, know...) He's alright

Jesus is still alright with me
Jesus is still alright, oh yeah
Jesus is still alright with me
Jesus is still alright

I don't care what they may say
I don't care what they may do
I don't care what they may say
Jesus is still alright
Jesus is alright with me, yeah

Do do do do do do do do
Do do do do do do do do
Do do do do do do do do
Jesus is still alright

Think about it...
