

# Let, Let Me In

De La Soul

(Ooh ah, ooh ah, ooh ah, ooh ah)  
(Ooh weeee, sho' lookin' fine)  
(Ooh weeee, sho' lookin' fine)  
(Let, let me in)

I got good news, I got eye witness  
Good news, I got eye witness  
Due in a hip lift, dead into my phenomenon  
Dazed with the quickness  
Sweat, one sweat, two sweat, three  
Motions, what motions? What could it be?  
She, she (watchin' you) who, me?  
Hon, Velveeta got your cut  
(Ain't no lockin' up now)  
Give the symmetrics to your bottom  
(Ain't no lockin' up)  
Shake less of that Catholic cool  
Push panic, the button, and freeze  
A's for Amen, J's for the Jenifa  
Oh Jennys, oh please oh please  
(Oh please oh please)

Let, let me in, let, let me in  
Let, let me in, let, let me in  
Let, let me in, let, let me in  
Let, let me in, let, let me in

Force it like a motion, let me in to that  
Flower power child, let me in to that  
Let me sew your panic button, let me in to that  
I got the semen headlocked, you won't get fat  
Just lay, lay back, way, way, way  
The oops up, it's a clear Saturday  
We're selling my all-expense July paid  
By the way, what's your name?  
Just kidding, I know it's Renee  
No, it isn't? Word, word, well check it out  
Check, check it out  
I got my my mind made up, come on, get it  
Take a test, child  
And get with this Pos position  
From beginning to the Huckleberry Fin  
If I was to yodel, would you let me in?

Let, let me in, let, let me in  
Let, let me in, let, let me in  
Let, let me in, let, let me in

Pos got the skyrocket in his jeans  
Would you let me in if I was to sing  
Like a hookey-non-stop-reggae-roost-rasta-king  
Jimmy done starburst, know what I mean  
Jimmy done burst, gotta come clean  
Yo, Maseo, blow this scene

Dip, dip, di, you're making me cry  
With that onion between your thighs

Come give me some of that brown sugar  
So the sweets can make me active  
If I said you were attractive  
May I supplement with an additive?  
Hey, hooker let me hook you with my reel  
Take you to the crib, cook up a real meal  
Skip the meal and walk this way  
(Hey, hey, hey)  
Come on into my room, here we go  
Here we here we here we go  
(Boom!) Did you feel the bed break?  
(Boom!) Did you feel the floor shake?  
(Boom!) Did you feel the earth quake?  
(Boom!) Now, quick, do you wanna take a break?

Let, let me in, let, let me in  
Let, let me in, let, let me in  
Let, let me in, let, let me in  
Let, let me in, let, let me in

(What's this?)  
(What?)  
(In your pocket, that bulge?)  
(Hey, hey, hey!)  
(Harry, let me see it)  
(Jumping jehosaphat!)  
(Quaggin', quakin' and shakin')  
(And that's no fakin')  
(Let me see the gun, Harry, I want to see if it's been fired)  
(Why are you complaining? I've always given you a piece of the action)

(So he huffed and he puffed and he huffed and he puffed)  
(And at last he blew the house in)
