

# I'm Not Dreaming Of You

De/Vision

Theres a feeling within  
Getting under my skin  
Breakdown  
My plane just hit the ground  
Downfall  
Full tilt against the wall  
Of all the things I would ever do  
I only regret the fact  
That I ever put my trust in you

I can't go on denying  
A part of me is dying  
Whenever I'm in you  
Is it me is it you  
I can't go on pretending  
This is how were ending  
I stopped dreaming of you  
And the things we mould do

Like a thorn in the side  
A distortion of life  
No way, can't take another day  
Every storm you create  
Every feeling I fake  
Wake up my truth became a slut  
How hard you try no matter what you do  
In the end my dear  
Your love won't never be enough for two

This is how were ending  
I'm not dreaming of you
