

## What It Feels Like

De/Vision

I can't believe we can't be friends I can't believe  
Is it the beginning is it the end I cannot tell  
Everybody needs a helping hand  
In a hostile environment  
Are you the cause or an effect  
Plaything of a god you don't respect

Big talk Small talk  
I can't tell you what it means to be  
What it feels like to be me  
Big talk Small talk  
Piss on everyone you love and you'll see  
What it feels like to be me

We can foes we can be friends Stop to pretend  
Is this my doom or a wishing well I just can't tell  
I hear your voice shouting out loud  
Why stick it in? To pull it out  
Got a lot to say but don't give me a reason to stay

Big talk Small talk  
I can't tell you what it means to be  
What it feels like to be me  
Big talk Small talk  
Piss on everyone you love  
And you might know what it means to be  
What it feels like to be me
