Deacon Blue

I want you to know  
That I love you still  
I want you to know  
That I'd miss you girl  
I want you to know  
Even though you're outside my world  
But I can't let you go  
Do you forget  
How I remember  
Everything that we did

Haunted  
You leave me haunted  
Haunted  
By your love

In the dead of the night  
I can't know where you are  
I still have your scent  
On my coat, in my car  
Is that just the wind  
Or your voice in the dark  
And I still hear you go

Do you shiver  
Do you know  
It's not winter  
Are you cold

Haunted  
You leave me haunted  
Haunted  
By your love

Haunted  
You leave me haunted  
Haunted  
By your love

You can't take me back in your arms anymore  
I can't go back to your arms anymore  
I want you

Haunted  
You leave me haunted  
Haunted  
By your love

Haunted  
You leave me haunted  
Haunted  
By your love

Haunted  
You leave me haunted  
Haunted  
By your love
