

Lose Your Soul

Dead Man's Bones

Oh,
You're gonna lose your soul, tonight.
You're gonna lose your soul,
You're gonna lose your soul,
Tonight, tonight.

Oh,
You're gonna lose control, tonight.
You're gonna lose control,
You're gonna lose control,
Tonight, tonight, tonight.

[Children's choir]
I get up in the morning
To the beat of the drum
I get up to this feeling,
Keeps me on the run.
I get up in the morning,
Put my dreams away,
I get up, I get up, I get up again
