

# Beautiful Girl

Dean Brody

I see you girl, beautiful girl  
You look like you need a break  
Hop in my truck, my sweet love bug  
Let's get lost in a lazy day

Beautiful girl, beautiful girl  
Let me take you away  
Hop in my truck, my sweet love bug  
Let's get lost in a lazy day

Imma gonna love ya, love ya, love ya like that  
Imma gonna love ya 'till the sun goes black  
Let me swing your hand down a railroad track girl  
One more time yea  
Imma gonna love ya, love ya, love ya like that  
Imma gonna love ya 'till the sun goes black  
Let me swing your hand down a railroad track girl

I've got problems, you've got your problems too, but  
They can wait 'till Monday (play me some Bob Marley)  
Roll me a fat one, blue sky and summer sun  
Let's get lost in a lazy day, ouuu yea

Beautiful girl, beautiful girl  
Let me take you away  
Hop in my truck, my sweet love bug  
Let's get lost in a lazy day

Imma gonna love ya, love ya, love ya like that  
Imma gonna love ya 'till the sun goes black  
Let me swing your hand down a railroad track girl  
One more time yea  
Imma gonna love ya, love ya, love ya like that  
Imma gonna love ya 'till the sun goes black  
Let me swing your hand down a railroad track girl

Ouu beautiful girl, beautiful girl  
Let me take you away (play me some Bob Marley)  
Hop in my truck, my sweet love bug  
Let's get lost in a lazy day, ouuu  
Let's get lost in a lazy day

Beautiful girl, beautiful girl  
Let me take you away

Pick love not war, is what the people said  
Was that just ganja in the sky?  
Jesus is lord, he is lord, all hate and oppression will tumble  
And the piecemakers and the humble will occupy  
Until that day girl, yea

Beautiful girl, beautiful girl  
Let me take you away  
Hop in my truck, my sweet love bug  
Let's get lost in a lazy day  
Aye, aye, aye, ouu, ouu, ouu, ouu

Imma gonna love you  
Imma gonna love you  
Imma gonna love you like that, girl  
Imma gonna love you  
Imma gonna love you  
Imma gonna love you like that, girl  
Imma gonna love you (love you, love you, love you)  
Imma gonna love you like that, yea
