

The Pretender

Dean Geyer

He don't know about that
She was mine and now I'm not meant to touch
But here I am, I'm touchin'
I've fallen in love with the adrenaline rush

[?] all burnt down
Whoa-oh, whoa-oh
Higher than I was before
Whoa-oh

I'm sick of all the lies
But I wanna keep pretendin'
Addiction in disguise
Yeah, we're guilty and we know it
Whoa-oh-oh
How the hell does she sleep at night?
Whoa-oh-oh
Every day is another lie
Whoa-oh-oh
Everybody knows
She lives a secret life
She lives a secret life

Just a toy, oblivious
Never again will he be able to trust
She plays the game, heartbreaker
She's the enemy but I can't stop, can't get enough

[?] all burnt down
Whoa-oh, whoa-oh
Higher than I was before
Whoa-oh

I'm sick of all the lies
But I wanna keep pretendin'
Addiction in disguise
Yeah, we're guilty and we know it

Whoa-oh-oh
How the hell does she sleep at night?
Whoa-oh-oh
Every day is another lie
Whoa-oh-oh
Everybody knows
She lives a secret life
She lives a secret life

She's trouble
She's undercover
And I like it

I'm sick, sick, sick of all the lies
But I wanna keep pretendin'
Addiction in disguise
Yeah, we're guilty and we know it

Whoa-oh-oh

How the hell does she sleep at night?
Whoa-oh-oh
Every day is another lie
Whoa-oh-oh
Everybody knows
She lives a secret life
She lives a secret life
