

Almost Like Being in Love

Dean Martin

What a day this has been
What a rare mood I'm in
Why it's almost like being in love

There's a smile on my face
For the whole human race
Why it's almost like being in love

All the music of life seems to be
Like a bell that is ringing for me

And from the way that I feel
When that bell starts to peel
I would swear I was falling
Swear I was falling
Almost like being in love

What a day this has been
What a rare mood I'm in
Why it's almost like being in love

Oh, there's a smile on my face
For the whole human race
Why it's almost like being in love

All the music of life seems to be
Like a bell that is ringing for me

And from the way that I feel
When the bell starts to peel
I would swear I was falling
Swear I was falling
Almost like being in love, love, love, love
Almost like being in love
