

Canadian Sunset

Dean Martin

Once I was alone
So lonely and then
You came out of nowhere
Like the sun up from the hill

Cold cold as the wind
Warm warm were your lips
Out there on the ski trail
Where your kiss filled me with thrill

Weekend in Canada a change of scenery
Was the most I bargained for
And then I discovered you and in your eyes
I've found a love that I couldn't ignore

Down down came the sun
Fast fast beat my heart
I knew as the sun set from that day
We'd never part

Down down down down came the sun
Fast fast fast fast beat my heart
I knew as the sun set from that day
We'd never part
Down down down down came-a the sun
Fast fast fast fast beat-a my heart
I knew as the sun set from that day
We'd never part
We'd never part
We'd never part
