

I'm Confessin' (That I Love You)

Dean Martin

I'm confessin' that I love you tell me do you love me too
I'm confessin' that I need you honest I do
Need you every moment

In your eyes I read such strange things
But your lips deny they're true
Will your answer really change things makin' me blue

I'm afraid someday you'll leave me saying can't we still be friends
If you go you know that you'll grieve me all my life on you depends

Am I guessin' that you love me dreaming dreams of you in vain
I'm confessin' that I love you over again

I'm afraid someday you'll leave me saying can't we still be friends
If you go you know that you'll grieve me all my life on you depends

Am I guessin' that you love me dreaming dreams of you in vain
I'm confessin' that I love you over again
