

# I'm in Love With You

Dean Martin

I'm in love with you  
But you're in love with Jim I am huh-uh  
Jim's in love with Joan  
But Joan is gone on Slim  
Slim just goes for Mae  
And Mae idolizes Fred  
But Fred dreams of the day that he and Kay will wed

We're on a carrousel turning at a busy pace  
Well everyone's in love and no one's getting any place  
What's this I hear about Kay  
Oh Kay's in love with Dan  
But Dan's in love with Sue  
Sue says I'm her man says I'm her man  
But I've got news for Sue  
I'm in love with you

I went out with Sue  
So Dan went back to Kay  
Fred became so blue  
That he went back to Mae  
Then Mae got on the phone  
To kind of patch things up with Slim  
Slim went back to Joan  
But she'd gone back to Jim  
Jim figured you and Joan complicated normal life  
I know what you mean  
So he said goodbye and then he went back to his wife  
Then when you could see that you and Jim were through  
You came back to me  
And I've got news for you  
I'm in love with you yes I'm in love with you
