Love (Your Spell Is Everywhere)

Dean Martin

Love, your magic spell is everywhere Love, I know you well and found you fair Then you left me and my life's at fate Now I ask is it too late

Love your melody is in the air Yet I call you and you are not there Come here is my heart, my soul to mate Make me forget the voice that whispers "wait"

Love your melody is in the air Yet I call you and you are not there Come here is my heart, my soul to mate Make me forget the voice that whispers "wait" Make me forget the voice that whispers "wait"
