## **Peddler Man (Ten I Loved)**

## **Dean Martin**

Come along ladies look and buy Come along ladies don't be shy Ladies, ladies here's the peddler man

I'm just a poor but honest peddler I got a wagon and a donkey If you need pots, I've got lots Need a hat, I've got that Take your time, I've got time

I'm still in my prime Peddler Man Ten I love, nine I've forgot Giddiup donkey, one more mile Giddiup donkey, stop awhile What a lot of pretty girls I've met

Ten I love, nine I forgot
Giddiup donkey, don't be slow
Giddiup donkey, home we go
To the only one I can't forget (Peddler Man, Peddler Man)
I like to hear the daughters calling
Oh mama mama here's the peddler man
You want a gown blue or brown
Want some hose, I've got those
Look and buy, don't be shy
I can satisfy (Peddler Man, Peddler Man)

(Ten he loved, nine he forgot)
Giddiup donkey one more mile
Giddiup donkey stop awhile
What a lot of pretty girls I've met

Ten I loved, nine I forgot
Giddiup donkey don't be slow
Giddiup donkey home we go
To the only one I can't forget (Peddler Man, Peddler Man)
