

## Pretty as a Picture

Dean Martin

You're as pretty as a picture  
In your brand new evening gown  
Within your eyes I see that starlight of old  
With that smile a little bold  
What a lovely lovely picture  
You're my treasured work of art  
And I'll always keep your picture  
Locked in a room in my heart

You're as pretty as a picture  
In your brand new evening gown  
Within your eyes I see that starlight of old  
With that smile a little bold  
What a lovely lovely picture  
You're my treasured work of art  
And I'll always keep your picture  
Locked in a room in my heart
