

# Silent Night

Dean Martin

Silent night  
Holy night  
All is calm  
All is bright  
Round yon virgin mother and child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

(Silent night)  
(Holy night)  
(All is calm)  
(All is bright)  
Round yon virgin mother and child  
Holy infant so tender and mild  
Sleep in heavenly peace  
(Both) Sleep in heavenly peace
