

# The Things We Did Last Summer

Dean Martin

The boat rides we would take  
The moonlight on the lake  
The way we danced and hummed our favorite song  
The things we did last summer  
I'll remember all winter long

The midway and the fun  
The kewpie doll we won  
The bell I rang to prove that I was strong  
The things we did last summer  
I'll remember all winter long

The early morning hike  
The rented tandem bike  
The lunches that we used to pack  
We never could explain that sudden summer rain  
The looks we got when we got back

The leaves begin to fade like promises we made  
How could a love that seemed so right go wrong  
That things we did last summer  
I'll remember all winter long

(The early morning hike  
The rented tandem bike  
The lunches that we used to pack  
We never could explain that sudden summer rain  
The looks we got when we got back)

The leaves begin to fade like promises we made  
How could a love that seemed so right go so wrong  
That things that we did last summer  
I'll remember all winter long
