

Walk on By

Dean Martin

If I see you tomorrow on some street in town
Pardon me if I don't say hello (Hello)
I belong to another, it wouldn't look so good
To know someone I'm not supposed to know

Just walk on by wait on the corner
I love you but we're strangers when we meet
Just walk on by, wait on the corner
I love you but we're strangers when we meet

In a dimly lit corner in a place outside of town
Tonight we'll just try to say goodbye again
But I know it's not over I'll call tomorrow night
I can't let you go so why pretend

Just walk on by wait on the corner
I love you but we're strangers when we meet
Just walk on by, wait on the corner
I love you but we're strangers when we meet
I love you but we're strangers when we meet
