

# Walking My Baby Back Home

Dean Martin

Gee but it's great after being out late  
Walking my baby back home  
Arm and arm over meadow and farm  
Walking my baby back home

We go along harmonizing a song  
Or I'm reciting a poem  
Owls go by and they give me the eye  
Walking my baby back home

We stop for awhile she gives me a smile  
Snuggles her head to my chest  
We started to pet and that's when I get  
Her talcum all over my vest

After I kind of straighten my tie  
She has to borrow my comb  
One kiss then I continue again  
Walking my baby back home

La la la dee la la la dee

Know she's afraid of the dark  
So I have to park  
Right outside the door 'til it's light  
She says if I try to kiss her she'll cry  
So I dry her tears off all through the night

La la la dee la la la dee

We stop for awhile she gives me a smile  
Snuggles her head to my chest  
We started to pet and that's when I get  
Her talcum all over my vest

After I kind of straighten my tie  
She has to borrow my comb  
One kiss then I continue again  
Walking my baby back home
