

# Welcome to My World

Dean Martin

Welcome to my world  
won't you come on in  
miracles i guess  
still happen now and then

Step into my heart  
leave your cares behind  
welcome to my world  
build with you and mine

knock and the door will open  
seek and you will find  
ask and you'll be given  
the key to this world of mine

I will be waiting here  
with my arms unfurled  
waiting just for you  
welcome to my world

waiting just for you  
welcome to my world
