

# Who's Your Little who Zis

Dean Martin

Who's your little who-zis  
Ah, your little turtle dove  
Who's your little who-zis  
Who do you love

Who's the little what's-it  
That your dreaming of  
Who's your little who-zis  
Who do you love

Tell me who has you a-flutter  
Whenever they're passing by  
Melt your heart like butter  
Oh me, oh my

Say, when you get the blue-zis  
Who you thinking of  
Ah, who's your little who-zis  
Well, who do you love

Tell me who has you a-flutter  
Whenever they're passing by  
Well, melt your heart like butter  
Oh me, oh my

Say, when you get the blue-zis  
Who you thinking of  
Ah, who's your little who-zis  
Who do you love
