

Good Hearted Woman

Deana Carter

A long time forgotten are dreams that just fell by the way
And the good life he promised ain't what she's living today
But she never complains of the bad times or the bad things he's
done

She just talks about the good times they've had and all the good
times to come

She's a good hearted woman in love with a good timin' man
And she loves him in spite of his ways that she don't understand

And through teardrops and laughter they'll pass through this world
hand in hand

This good hearted woman in love with her good timin' man

Now he likes the night life and bright lights and good timin' friends

And when the party's all over she'll welcome him back home again

Though she don't understand him but she does the best that she
can

This good hearted woman in love with her good timin' man

She's a good hearted woman,

She's a good hearted woman
