

# There's No Limit

Deana Carter

If it's a long, long road, baby, I'll walk it  
If it's a mountain high, baby, I'll cross it  
If it's deep blue sky, you know I'll jump out in it  
There's nothin' I would not do for you, there's no limit

If you want my heart, you can have it  
If you want my soul, you've gotta grab it  
If you want my love, then baby come an' get it  
There's nothin' I would not do for you, there's no limit

It's parked back honey  
And can say goodbye to Hollywood  
Climb in to the back  
And just get on with feelin' good

It's parked back honey  
And can bid goodbye to Hollywood  
Slide in to the back  
There's nothin' wrong with feelin' good, feelin' good

If it's a beat up heart, I'll mend it  
If it's a broken smile, I'll bend it  
If it's a barbed wire fence, you know I'll take my chances  
There's nothin' I would not do  
This hunger you're livin' through, there's no limit

(It's a long, long road)  
You can have it  
(It's a mountain high)  
You gotta grab it  
(It's a deep blue sky)  
Take your chances  
(It's a long, long road)

(It's a long, long road)  
There's no limit, there's no limit  
There's no limit, there's no limit
