

# You Still Shake Me

Deana Carter

I ain't in love, I ain't your bud  
I ain't your little turtle dove  
I ain't your chick, I ain't your squeeze  
I ain't the girl I used to be

But baby, you still shake me

I ain't upset, I ain't a wreck  
'Cause I forgive and I forget  
And I ain't bitter, I ain't sore  
And I ain't cryin' anymore

But baby, you still shake me  
Yeah baby, you still shake me

Every time I see you out  
It makes me wanna scream  
I can't seem to figure out  
What did I ever see in a fool like you

The things I used to do, I don't  
The things I would have, now I won't  
Yeah, I'm okay and I'm alright  
And I'm not living in denial

But baby, you still shake me  
Yeah baby, you still shake me

I ain't in love, I ain't your bud  
I ain't your little turtle dove  
I ain't your chick, I ain't your squeeze  
I ain't the girl I used to be

But baby, you still shake me  
Yeah baby, you don't know  
What you do to me, baby  
You shake me, baby
