Take Me Away

Death Before Dishonor

I've toppled over and I'm tumbling down I've hit the floor so hard I broke the ground my hands are shaking and my heads a mess I can't stop the pounding in my chest reaching, bleeding, helpless needing something to save me $\ \square$ kill me take me away is there a light at the end or is it just more pain? it seems so far away is every step in vain? reaching, bleeding, helpless needing, something to save me $\[\square\]$ kill me TAKE ME AWAY I always said I wanted more I guess you get what you ask for (get it)
