

## Last Dayz

## Death Threat

Waiting for the end  
As your life wastes away  
No regrets, too late to repent  
We're living in the last dayz

I see death & desolation all around  
Judgement day has arrived  
We're all going down  
When will this misery end  
And finally peace of mind  
The only peace you'll ever find  
Is at the end of time

No time to regret things done in my past  
We live each day - as if it was the last

I see it happening right before my eyes  
Crazed civilization - mankind's demise  
Beat or be beaten - we're fighting to survive  
Killing off one another - just to stay alive

Running through the streets  
mindless  
Armageddon is here

Running through the streets  
mindless  
Armageddon is here
