

Creature

DEATHGAZE

I will go to the end world
I feel like breaking my head
Makes me sick. I'm new god
Come with me
Are you ready go?

Everybody crazy dance
Everybody fxxk
Cuz you're another one
Come here
Are you ready go?

Come on! Spill it!
Come on! Creature!

Living body. Claim back real life
Living body. Desire to be free
Living body. Who can save my life?
Living body. Can't stand anymore

1 2 3 Ready go!

I'll remember before I forget
I'm sending you straight to hell
