## **Foolish Beat**

## **Debbie Gibson**

There was a time when Broken hearts and broken dreams Were over. There was a place where All you could do was Wish on a four leaf clover.

But now is a new time There is a new place Where dreams just can't come true. It started the day when I left you

I could never love again the way that I loved you I could never cry again like I did when I left you And when we said goodbye, Oh the look in your eyes Just left me beside myself without your heart (without your heart) I could never love again now that we're apart

When I was sorry It was too late to turn around (turn around) And tell you so. There was no reason There was no reason Just a foolish beat of my heart.

I could never love again the way that I loved you I could never cry again like I did when I left you And when we said goodbye, Oh the look in your eyes Just left me beside myself without your heart (without your heart) I could never love again now that we're apart

Oh, can't you see I'm not fooling nobody Don't you see the tears are falling down my face? Since you went away Break my heart, you slipped away Didn't know I was wrong Never meant to hurt you now you're gone

I could never love again now that we're apart. (now that we're apart) I could never love again now that we're apart.
