

Mind

Declan McKenna

You took your shirt off as you ran, from you
So slowly away but I've found him
He's fine

I wasn't floating as I am
Deciding the loneliest heart in the living room
Was mine

She wasn't trying to make a sound
Oh you, the only escape from her envy was
Her pride

That's not really who I am
The deadliest sins are for those who are taken and not ...
It was only a matter of time

Why do you keep changing your mind?
Why do you keep changing your mind?

Carrying a plastic bag
She threw up by your side just to show me
I'm lonely again

Maybe I just need a man
So loosely reduced to an infant dependant on wine
It's only a matter of time

Why do you keep changing your mind?
Why do you keep changing your mind?
Why do you keep changing your mind?
Why do you keep changing your mind?

I can't see clear again
I got myself stuck
And I won't come here again
I'm all out of luck

You took your shirt off as you ran, from you
So slowly away but I've found him
He's fine

Why do you keep changing your mind?
Why do you keep changing your mind?
Why do you keep changing your mind?
