

# The Magic of Christmas Day

Dee Snider

Deck the halls with boughs of holly  
It's the season to be jolly  
And be thankful for all that we have  
All the lights and decorations  
Put up in anticipation  
Of the joyful celebration  
That's on its way  
We're counting the days  
'Til it's time for Christmas Day

Oh, and God bless us everyone  
The good and the bad  
The happy, the sad  
Oh, and God bless us everyone  
Here's to family and friends  
It's good to be here again

On the streets there's children laughing  
People smile as they are passing  
Christmas time is here, our waiting is done  
Wishing it could last forever  
Not just twelve days in December  
Through the year let's try to remember  
That special way  
That everyone feels  
It's the magic of Christmas Day

Oh, and God bless us everyone  
The good and the bad  
The happy, the sad  
Oh, and God bless us everyone  
Here's to family and friends  
It's good to be here again

So fill your heart with love and joy  
And through the eyes of girls and boys  
Share their wonder, live through their joy  
It's easy to do, just open your heart  
The spirit will come to you

Oh, and God bless us everyone  
The good and the bad  
The happy, the sad  
Oh, and God bless us everyone

Here's to family and friends  
It's good to be here again

Oh, and God bless us everyone  
The good and the bad  
The happy, the sad  
Oh, and God bless us everyone  
Here's to family and friends  
'Til next time we meet again

God bless us everyone  
'Til next time we meet again

Oh, and God bless us everyone  
It's good to be here  
It's good to be here again
