One might say that I've gone too far, he probably knows me better than God. I'm tried of trying to explain. What I do should be my own business

I keep myself to myself

I don't know you anymore.
You don't know you anymore.
You're not the same,
not the same as you were before.
I don't know you anymore.

It's quit confusing to hear what you say, behind my back you lie and ten turn away. The Secret service is on me tail.
What I do should be my own business.

just keep myself to myself

I don't know you anymore.
You don't know you anymore.
You're not the same,
not the same as you were before.
I don't know you anymore.

I don't know you

I don't know you

I don't know you anymore

And I know that I have to go, and I know that it must be wrong. But every time I look in the mirror I see you.

I don't know you anymore.
You don't know you anymore.
You're not the same,
not the same as you were before.
I don't know you anymore.
