Knocking at Your Back Door

Sweet Lucy was a dancer But none of us would chance her Because she was a Samurai She made electric shadows Beyond our fingertips And none of us could reach that high She came on like a teaser I had to touch and please her Enjoy a little paradise The log was in my pocket When Lucy met the Rockett And she never knew the reason why

I can't deny it With that smile on her face It's not the kill It's the thrill of the chase

Feel it coming It's knocking at the door You know it's no good running It's not against the law The point of no return And now you know the score And now you're learning What's knockin' at your back door

Sweet Nancy was so fancy To get into her pantry Had to be the aristocracy The members that she toyed with At her city club Were something in diplomacy So we put her on the hit list Of a common cunning linguist A master of many tongues And now she eases gently From her Austin to her Bentley Suddenly she feels so young **Deep Purple**
