Nothing Ever Happened

Deerhunter

Only when I dream but there's no way out You learn to talk, you learn to shout Focus on the depth that was never there Eliminate what you can't repair

Nothing ever happened to me Nothing ever happened to me Nothing ever happened to me Life just passed and flashed right through me

Sleep through the winter, awake in spring Adjust your eyes to the state of things Focus on the depth that was never there Nothing's easy, nothing's fair

Nothing ever happened to me Nothing ever happened to me Nothing ever happened to me Life just passed and flashed right through me

I never saw it coming Waiting for something, for nothing I never saw it coming Waiting for something, for nothing
