

Tech School

Deerhunter

No cigarette breaks, no sex, parking lot
Play by weakness, play academic rock

Tech school
Tech school

So sick of tech school, can't play by the rules
Vacate forum, no sex, bus stop

Tech School
Tech School
Tech School

No cigarette breaks, no sex, parking lot
Play academic rock

Tech school, drop out

No pornography, rebuild history
Fight for the family, restore heredity

Tech school
So sick of tech school
So sick of tech school

I want university
Where they rebuild culture in their sleep

Tech school, drop out

He sits by the TV, he's history
He sits by the TV, he's history
He sits by the TV, he's history
He sits by the TV, he's history

No cigarette breaks, no sex, parking lot
Play by weakness, play academic rock

Tech school

So sick of tech school, can't play by the rules
I want university where they rebuild culture in their sleep

Tech school, drop out
