

# Bad Actress

Def Leppard

Twenty-one years and you answer the call  
Hollywood screams from your bedroom wall  
You can't get away from the thrill of it all

Bye-bye baby  
Get me out of here I'm done  
A girl gone crazy  
You ain't foolin' anyone

You can't sing can't dance  
Can't fit in your pants  
You're a bad actress  
You can't run can't walk gotta learn how to talk  
You're a bad actress

Come on down and walk the moonlit mile  
You've got the perfect teeth  
You've got the perfect smile  
You do it all wrong but you do it in style  
Oh yeah

Bye-bye baby  
Get me out of here I'm done  
A girl gone crazy  
You ain't foolin' anyone

You can't sing can't dance  
Can't fit in your pants  
You're a bad actress  
You can't run can't walk gotta learn how to talk  
You're a bad actress

You can't read can't write gotta learn how to fight  
You're a bad actress  
You're too cold too old and the story's been told bout  
The bad actress

Bye-bye baby  
Get me out of here I'm done  
A girl gone crazy  
You ain't foolin' anyone

You can't sing can't dance  
Can't fit in your pants  
You're a bad actress
