

# Aggroculture

Defleshed

In rage we rose  
With cries and with scream  
Revenge of those  
Who fought and died supreme  
Now you'll die, so I recon  
By my hordes, by our swords, within a second

Aggroculture, aggroculture  
Aggroculture, a horde of screaming vultures  
Aggroculture, aggroculture

Men and beasts now march to war  
Break those unbroken and crack their core

Aggroculture, aggroculture  
Aggroculture, a horde of screaming vultures  
Aggroculture, aggroculture

Go on cry now - bleed your best  
For this is how you will rest  
Dead through a wound in your chest

Aggroculture, aggroculture  
Aggroculture, a horde of screaming vultures  
Aggroculture, aggroculture

In rage we rose  
With cries and with screams  
Revenge of those  
Who fought and died supreme  
Now you'll die, so I recon  
By my hordes, by our swords, within a second
