

# Reclaim The Beat

Defleshed

Reclaim the beat  
Proclaim and repeat  
The faster the greater disaster  
Reclaim the beat  
Entertain the heat  
The better sounding the faster the pounding

Organic, cyanic  
I need to be fuelled high-octanic  
Dynamic, full panic  
Raw wildered flesh-mechanic  
Blood beating faster I'm a speed - manic

As every sweet has its sour  
You are my power yet I know I'll be devoured  
I don't burn without kerosene  
And I don't move without gasoline

As every reason has its cause  
I'll break all laws and never ever stop to pause  
I don't burn without kerosene  
And I don't move without gasoline

Dynamic, full panic  
Raw wildered flesh-mechanic  
Blood beating faster I'm a speed - manic

Reclaim the beat
