

Come by Here

Deitrick Haddon

Hands lifted in worship
(Oh Lord!)

I wanna see everybody waving your hands in God's presence

Common just humble yourself right there
Common, come on

Oh Lord
Touch somebody tonight
Oh Lord
Heal somebody tonight
Common Jesus
Hey, turn their lifes around
If we ever needed You before, oh
We need You right now
Just ask the lord to
Come by here
Let Your glory (let Your glory fill this atmosphere)
Common Jesus
(Come by here Lord)
We need You here Your word
(We need to hear Your voice, so clear)
Lift your head and sing
Come by here
Come by here Lord, come by here Lord
(Let Your glory fill this atmosphere)
Common give the voice to your lips
Everybody open up your mouths and worship, ey
(Come by here Lord)
We need to (we need to hear Your voice, so clear)

Say: Oh, Lord! Ooh, oh oh
Touch
(Touch somebody tonight)
Say: Oh, Lord! (Oh)
Heal somebody
(Heal somebody tonight)
Yeah-hea, oh oh, oh oh oh oh (oh oh oh oh)
