

Crossroads (Interlude)

Deitrick Haddon

Staning At The Crossroads Of Life
Somehow I Went Wrong When I Shoulda Went Right
And I Cant Blame This One On Nobody Else
Come And Rescue Me From Myself

I Am Standing At The Crossroad Of Life
Somehow My Days Have Turned Into Night
And If My Decisions Are The Keys
To My Destiny
Come Rescue Me

Ill Be Standind At The Crossroad
Till You Come And Take My Hand
Lord I Need Your Love
To Make Me A Better Man
Ill Be Standing At The Crossroad
Till You Come And Lead The Way
Ill Be Waiting Here
Till You Help Me Leave And Pray
