

# Reppin' The Kingdom

Deitrick Haddon

Reppin' in the kingdom, I'm reppin' reppin' the kingdom  
I go first, gimme that mike  
Gotta get this party started right  
Everybody scream to the top of your lungs  
Holy Ghost gonna have you speaking in tongues  
I'm a part of a dynasty  
A family that's been set free like me  
They call me D Haddy  
Everywhere I go all eyes on me  
Cuz when I lead 'em to the cross  
God the Father is the boss  
My job is to win the lost  
Save a soul at any cost  
We gonna go from the east coast to the west coast  
Find out who's reppin' the most  
New generation, taking our freedom  
Reppin' the kingdom

The second don't mean that I couldn't run the point  
I rep from the Midwest  
A south mile hood rep good on the joint  
Get your hands up, rep your city  
If you love him go and tell everybody you know  
(Now jam) It's me from the D you gonna see with D Haddy  
But enough about me  
Rep that, for the lost  
Rep that, for the broken  
Rep that, you feel defeated  
Rep that, you haven't lost  
Rep that, you haven't lost  
Rep that, stay in His face  
Rep that, blessed in this freedom  
Rep the Kingdom

The kingdom is my business  
So you can call me a business man

I follow the scriptures  
So you can call that my business plan  
Do what He tell me to do  
That is how my business is ran  
Can't ya'll beat my business brand  
See me in my business stance  
There's still fish in the air for the kingdom  
It don't matter where they come from bring 'em  
International or bilingual  
We gonna let the Holy Ghost power sting 'em  
Drug deals, pimps, thugs, kids, teens, or older  
Bow your head to Jehovah  
Okay, now you're a soldier

Greetings earthlings  
I know I sound kinda weird  
Might as well get used to it  
Accept it cuz I'm not from here  
We represent the kingdom of God  
With all my flaws, my mistakes and all  
When you talking Kingdom, man  
You're saying God is Lord  
And whatever else you're saying  
Man, I get kinda bored  
Cause all that really matter  
Is who you're living for  
And if you're reppin' Christ  
Let me see you hit the floor

We represent the kingdom of God, man  
We represent the kingdom of God, man
