

Get the Devil Out of Me

Delain

I don't know what to feel, I don't know what to say
Ooh, I don't know what to do, what makes me treat you this way

Oh I get nerve in my bones or I get nerve in my heart
Why don't you leave me alone before I tear you apart?

I'm no Jesus Christ, I'm the one mistake that you love to hate
I apologize, it's your destiny to get the devil out of me

Oh I don't know what to do, it always ends the same way
Though I've been here before, I know the rules to this game

And though I try not to lose, in the end I will fall
Better to have you in tears than not to have you at all

I'm no Jesus Christ, I'm the one mistake that you love to hate
I apologize, it's your destiny to get the devil out of me

If you think I'm hard to handle (you give up so easily)
I just need a good example (to be what I used to be)

Get the devil out of me

I'm no Jesus Christ, I'm the one mistake that you love to hate
I apologize, it's your destiny to get the devil out of me
