

Got You On My Mind

Delbert McClinton

Got you on my mind, feelin' kind of sad and low
Got you on my mind, feelin' kind of sad and low
Wonderin' where you are, wonderin' why you had to go

Tears begin to fall every time I hear your name
Tears begin to fall every time I hear your name
Since you went away nothin' seems to be the same

No matter how I try my heart keeps tellin' me that I can't forget you
If it should ever be that you wanna come back to me, gonna let you

Tears begin to fall every time I hear your name
Tears begin to fall every time I hear your name
Since you went away nothin' seems to be the same

No matter how I try my heart keeps tellin' me that I can't forget you
If it should ever be that you wanna come back to me, gonna let you

Got you on my mind, feelin' kind of sad and low
Got you on my mind, feelin' kind of sad and low
Wonderin' where you are, wonderin' why you had to go
Wonderin' where you are, wonderin' why you had to go
Wonderin' where you are, wonderin' why you had to go
