

If You Don't Leave Me Alone (i'll Find Somebody That Will)

Delbert McClinton

You're scarin' me to death baby with your jealous heart
This ain't no way for our romance to start.

You keep on telling me to explain myself
'Bout something one of your friends said,
About me and somebody else,
Your loose mouth friends honey
Ain't doin' you no good
And some of them gals you run with
Wouldn't help you if they could.

Your scarin' me to death baby with your jealous heart
This ain't no way for our romance to start
Take it easy baby, don't be so hard on yourself
You're making me nervous causin' danger to my health

Now what you do is your business
'Til it starts givin' me chills,
If you don't leave me alone
I'm gonna find somebody that will
