

Solid Gold Plated Fool

Delbert McClinton

Walkin' to work here lately, so baby you can drive my car
Holdin' back just enough change from my check for a Coke and a
candy bar

Now I don't mind a bit baby, their doing sweet things to you
But don't you think it's just about time You made an effort
To try to please me some too

I found some hid out Gift wrapped alligator shoes
You said they suppose to be a surprise
Little things like that make me wonder bout' you baby
Them shoes ain't no where close to my size

Now I don't know how long you think I'm gonna stand for The thi
ngs you do
Cus' sometimes I think, you think you got yourself a solid gold
plated fool

Think I'm gonna go south See a voodoo women named Gonga Rue
Maybe she's gotta a little something to help me make a change i
n you

Bad a I hate to lose you Honey
We might have to say good-bye
I just don't think I can stand to hear you tell me one more lie

The lights been fadin' in my eyes here lately girl
I sure been feelin' blue
I ain't been on the good side of livin'
Since I've been livin' with you

Think I'm gonna go south, see a voodoo women named Gonga Rue
Maybe she's gotta a little something to help me make a change i
n you

Bad a I hate to lose you Honey
We might have to say good-bye
I just don't think I can stand to hear you tell me one more lie

The lights been fadin' in my eyes here lately girl
I sure been feelin' blue
I ain't been on the good side of livin'
Since I've been livin' with you

Yeah, Sometime I think, you think you got yourself a solid gold
plated fool
