

# Turn On Your Lovelight

Delbert McClinton

Without a warning you broke my heart  
You took it, darlin' and you tore it apart  
You left me sitting in the dark, crying  
You said, your love for me was dying

I'm begging you, baby, baby, please  
I'm begging you baby, baby, please

Turn on the light, let it shine on me  
Turn on your love light, let it shine on me  
Let it shine, shine, shine, let it shine  
And I wanna know

I get a little lonely in the middle of the night  
I need you, darlin', to make things alright

Come on, baby, come on, please

Come on, baby, baby, please

Turn on the light, let it shine on me  
On your love light, let it shine on  
me

A little bit higher, a little bit higher  
Just a little bit higher, a little bit higher  
A little bit higher

Come on, baby, come on, please  
I'm begging you, baby, I'm down on my knees

Turn on the light, let it shine on me  
Turn on your love light, let it shine on me

I feel alright, I feel alright  
I feel alright, I feel alright, baby, let it shine
